Norwich Bulletin, Willimantic Office,

What Is Going On Tonight.
Owensboro Lodge, No. 14, I. O. O. F.,
meets at 807 Main street.
Ladies' Catholic Benevolent Association
meets in St. Joseph's hall.

Arthur McQuillan, who conducts a grocery store at 1130 Main street, was arrested Wednesday morning and will be charged with selling intoxicating liquors. He was released upon furnishing a bond of one thousand dollars and is to appear in the police court Saturday morning. McQuillan's arrest followed a statement made by James "Huzzo" Donohue who was in court Monday morning, charged with intoxication. Donohue at first refused to the statement that he procured his liquor in Norwich Sunday morning, Nov. 14, but later he admitted that the bottle and contents were sold to him by McQuillan. Donohue was told that if he gave the information about where he bought the liquor, he would not be sent to jail, and this loosened his tongue. His case, however, is continued until Saturday, under bonds of fifty dollars. At present he is at liberty under a suspended jail sentence for a similar offense. When McQuillan was arrested Wednesday morning it was for the third time on a charge of selling intoxicants prohibited by the prohibition laws. Two of the arrests were by local authorities and one was in a raid by federal authorities.

The continued non-support case of Morris Spicer was nolleed at the session of court Wednesday.

Over two hundred and fifty youngsters of this city met at the Y. M. C. A. Wednesday afternoon to hear about the Winchester Junior Rifle Corps that is to be organized in this city. E. H. Kohler, representing national headquarters of the corps, explained the purposes of the corps. The various medals and insignia to be won by members of the corps were on display and added to the enthusiasm. During the afternoon a three-reel picture entitled "The Winning Shot" was shown. A representative of the Jordan Hardware Company was present and assisted in filling out blanks for enrollment. Troop No. 1, Boy Scouts of America and members of the Girl Scouts are expected to be the leaders in the units of this city.

G. B. Gilman, industrial secretary of the local Y. M. C. A., has arranged to have reels of motion pictures sent to this city every week this winter to be shown free of charge in the Y lobby for members of the boys' department. The first of these pictures will be shown Friday afternoon and will be of an educational nature. These pictures will be Mr. Wilson and Roosevelt's tour of the Middle East, the Midway, and Welfare Work at the National Tuberculosis Commission. The same three reels will be shown Sunday afternoon for adults.

The boys' department is to be opened for games every Tuesday and Friday afternoon and evening. Another addition to the winter athletic sports will be a series of basketball tournaments between the Wolves, Foxes and Hyenas will compete for honors.

The bowling team representing Owensboro Lodge, No. 14, I. O. O. F., and a team representing Israel Putnam lodge of Odd Fellows, from Putnam, will contend Saturday evening at the local alleys. Rivalry between the bowlers of these two lodges has been keen and a series of games has been arranged. The local Odd Fellows will be represented by Danny Mathewson, Edgar Redman, Earl Harty, Lester French, Robert Wilcox. The Putnam delegation has not been announced.

"At 70 years of age, chronic constipation was causing me to suffer with distressing headaches, dizziness and indigestion.

I believe I have taken more medicine than any half-dozen people in town; but nothing did me good until I tried 'Fruit-a-lives'.

Right away I could see their good effects. After taking them for three months, my bowels were regular, and the other ailments disappeared."

Our underwear was purchased months ago; after delivery was made complete the manufacturers proceeded to quote a much lower price on goods like those they had delivered to us (although their season was nearly over and their stock practically all sold out). That left us "holding the bag," but we are game and have followed their "mark down" (as we were also forced to follow their "markup" in previous months).
